RE: USSN 09/763,216 Replacement Pages

Dear Mr. Fairchild,

As you requested, we submit herein the substitute pages for US Patent Application Serial No. 09/763,216 (corresponding to Applicants' attorney docket number PC19049A). Original pages 1-174 are replaced by pages 1-193 herein. Applicants have re-formatted the figures, drawings, and tables to fit within the page margins, and also to provide legible replacement pages. Expanded chemical structures and re-formatted tables and drawings increased the page count from 174 to 193. No new matter is added by substitution of these pages.

If any fee not submitted herewith is required for the filing of this response, including any fee for an extension of time for which Applicants hereby petition, please charge all such necessary fees to Applicants' Deposit Account No. 500329.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Keith D. Hutchinson".
